

Hello EVERYONE!

Do you ever wonder what kind of research other groups do at IBEC?

Now you have the opportunity to visit their laboratories at IBEC and know with a bit more detail what they are doing. All of you are welcome regardless of your academic degree (undergraduate student, master student, PhD student, Post-doc, technician, etc)

IBEC's PhD student committee is very pleased to invite you to the...

IBEC'S LABS Tour!!

Come and visit all those laboratories that you may not even know they exist! After the tour, there will be a pica-pica and more time for networking!! 😊

Date: Friday, 24th of November

Time: 17:30h

Where: Helix Building Reception

If you want to join this activity, please register in the Doodle
