

BIO-II A Cell culture cabinets

The Biospace has several BIO-II A cell culture cabinets for working with biosafety levels 1 and 2 cell cultures.

All the cabinets except the 3D Bioprinter cabinet are equipped with a vacuum system to aspirate media.

List BIO-II A Cell Culture Cabinets

- Primary culture Cabinet
- Cell lines culture Cabinet
- Cell lines culture Cabinet (for mycoplasma free cultures)
- “Materials” cell culture Cabinet
- 3D Bio Printer Cabinet
